MISSION STATEMENT

"I am here to feel secure, to be valued, and to learn"

3rd March 2017

Dear Parent/Carer

Consultation Outcome Statement

Following a thorough review of all responses to the consultation, and considering the views of all other stakeholders across the community, the Governing Body met on the 16th February 2017 and, have decided to proceed as planned with its partners to join the Omega Multi-Academy Trust.

The board believe this is the best way to secure the future of the school and to continue to improve the education for all children in Great Sankey, - whether at Barrow Hall Primary School or another school in the MAT.

The School is committed to the vision and values of the Omega Multi-Academy Trust, which are based on providing the best education for our local community and creating greater continuity of education from the start of a child's formal education at 4 years old through to leaving college as a young adult.

We received a relatively small number of thoughtful and detailed responses to the consultation, and where possible we have replied in detail to each response – either in writing or face to face. The board would like to thank everyone who took the time to respond to the consultation.

Our attention now switches to the planning and establishment of the new Multi Academy Trust, and the governors can assure parents that as a school we are fully involved in the process, and that the education of the children at Barrow Hall Primary School remains our prime focus.

Chris Forrest
Chair of Governors
